7. Teams that finish first (1st.) or second (2nd) in any SRT may receive an automatic bid to the D-I National Championship Tournament. The following table will determine the number of teams.

4 to 9 teams = 1 team may advance

10 + Teams = 2 teams may advance

Qualifiers must also participate in their District Qualifier, if offered. The National Chair may allow a team who has qualified for Nationals through a SRT, NOT to have to participate in their DQT. After a team qualifies, whether in a SRT or DQT, and then finishes high enough to qualify in a subsequent Tournament, the next highest team in **that subsequent** Tournament will also qualify for the Division I National Championship. Teams from Canada & Mexico may qualify for a D - I National Championship through a SRT.
