### Charlotte's Hovanec Golden, winning 8-11 All-Around

CHARLOTTE - Hovanec, 11, had at least the fourth highest score in each of his events, to take the Gold medal in the All-Around competition.

The Charlotte native didn't place first in a single event, but his 45.90 points was good enough to edge out Zachary Wieringa, who scored a 45.38 combined total, and Christopher Schmitt, who was only .30 behind Wieringa.

### Linder nudges out Mohler and Kosowski for 16-19 Gold

CHARLOTTE - Two of Ohio's finest gymnasts, Heather Mohler and Christy Linder pushed each other to the edge in the 16-19 competition.

Linder edged out Mohler and Rosann Kosowski for the All-Around gold medal by only .07 of a point.

But when it came to individual competition on Saturday, Mohler won two golds on the uneven bars and balance beam. She rounded out her collection with a bronze medal on the vault and took home the Joel Ferrell Award for Sportsmanship and Athletic Ability.
